

TIMBER RECYCLING OPPORTUNITIES IN SOUTH WEST ENGLAND

Workshop, 12 May 2003
CREATE Centre, Bristol

A one-day workshop to:

- **spread information about the opportunities to re-use or recycle timber waste**
- **promote best practice in the treatment of waste wood**
- **facilitate contacts and the sharing of experience**

Sessions :

- Uses for timber waste
- Making timber recycling work
- Discussion on opportunities and barriers to timber recycling.

Speakers include:

- Liz Morrish from WRAP on markets for waste wood
- Richard Mehmed from the successful Brighton and Hove Wood Recycling Project
- Toby Beadle from Urban Harvest on opportunities for recycled wood products

COST: £35 (inc VAT) per delegate, including lunch and refreshments.

Organised by Fauna & Flora International, sponsored by Fenside Waste Management through the Landfill Tax Credit Scheme.
